CSCI 3000 Computer Operations and Security +	4

Total Empire State College Credit 60

Degree Program Total 124

+ denotes an upper-division course

^ denotes a liberal arts and science course

Notes

SUNY Empire requires B.S. degree students to complete a minimum of 62 liberal arts and sciences credits. To satisfy SUNY General Education requirements, every SUNY Empire bachelor's degree program must include at least 30 credits in seven of ten general education knowledge and skill areas, as well as the areas of Mathematics and Basic Communication. The ten areas include:

Mathematics	Other World Civilizations
Natural Sciences	Humanities
Social Sciences	The Arts
American History	Foreign Languages
Western Civilizations	Basic Communications

Benefits for Rio Salado College Transfer Students

Empire State College will provide the following benefits for participating RSC transfer students:

- Guaranteed admission to the B.S. in SMT: Information Technology degree program
- Provision of a one-time \$100 *Better Together* transfer scholarship
- Waiver of the \$50 admission / orientation fee
- Waiver of the admissions application essay
- Non-New York residents are eligible for an Empire State College nonresident tuition grant that significantly lowers their tuition rate
