

Undergraduate Financial Aid Programs

Payment Plans

Unfortunately, sometimes financial aid does not fully cover your educational expenses with Empire State University. If you find that after financial aid has been determined you still owe a balance, you may pay the remaining balance in full or through a payment plan.

- Tuition deferrals for veteran students receiving Chapter 31 or 33 benefits (which are paid directly to the school) will be automatically initiated upon receipt of the student's certificate of eligibility (COE).
- Veteran students who are eligible and using chapter benefits other than 31 or 33 may sign up for a payment plan with no application fee. This allows eligible veterans to defer payment until the third and fourth months of the term, at which time one half of the veteran's deferral will be due by the first of the month. To sign up, please complete the **Veteran's Request for Deferral** form online at www.sunyempire.edu/SFSforms, click on "Military and Veterans."
- All other students may enroll in the university's Time Payment Plan. The Time Payment Plan allows you to pay your registration charges in three convenient installments. The Time Payment Plan has a **nonrefundable application fee** of \$25 per term. You also must pay your one-third down payment by the term payment due date to avoid cancellation of your registration.

You can enroll in the Time Payment Plan by accepting the terms and conditions of the plan. You can do this online at MyESC — www.sunyempire.edu/MyESC, click on the Student Accounts icon, then use the Touchnet Portal icon.

The second time payment is due on the 15th day of the month following the start date of the term. The final time payment is due on the 15th of the following month.

Frequently Asked Questions

What is the difference between subsidized and unsubsidized Direct Loans?

A subsidized Direct Loan is awarded on the basis of federally calculated financial need. The government pays the interest on the loan during the time that you are enrolled in college. An unsubsidized Direct Loan cannot exceed the college cost of attendance less financial aid. Interest will accrue from the date the loan is disbursed.

What is a Master Promissory Note for a Subsidized/Unsubsidized Loan (MPN)?

All students are required to complete an MPN for Federal Direct Loans. Once activated, the MPN is valid for 10 years. You can go to <http://www.studentloans.gov> to complete

This guide is intended to assist you in understanding the most common types of grants, loans, and institutional aid awarded to our students.

Empire State University is committed to giving every qualified student with the desire to complete a degree the ability to do so. This brochure outlines the most common forms of financial aid that our students receive and provides information on the Time Payment Plan. We encourage students to use this brochure in conjunction with our **Step-by-Step Guide to Financial Aid** which provides a detailed description of the application process. You may access this booklet online at www.esc.edu/FinancialAid, obtain one at your local campus, learning hub, or email the Office of Financial Aid to have the guide mailed to you.

What type of financial aid is available at Empire State University?

Empire State University's Office of Financial Aid assists in administering funds from a variety of federal and state sources to students on the basis of need. Need is determined by a formula set by the funding source, and consistently applied to applications for aid. Your need and income determine whether you will receive financial aid. Three types of financial aid are available.

1. Grants and Scholarships

Grants and scholarships are money that does not need to be repaid. In addition to federal and state grants, the Empire State University Foundation offers a number of scholarships for eligible students. For a complete list of financial aid resources available from the Empire State University Foundation and links to free online scholarship searches, please review our website (www.sunyempire.edu/FinancialAid). To apply for scholarships through the Empire State University Foundation, please also submit an application at www.sunyempire.edu/escfast. Priority deadline is June 30.

2. Loans

Loans (money that students borrow which must be repaid with interest) are granted for expenses directly related to college study.

3. Work Study

Federal Work Study provides funds that are earned through employment for undergraduate

What must I do to be eligible?

1. The first step in the application process for federal student aid is to apply for a FSA ID. A FSA ID is a

the MPN online. If you fail to complete and submit the required MPN, you will not receive your loan funds and may owe a balance to the college.

Do I need to complete a new MPN if I borrowed a Federal Stafford Loan in the past?

You are required to have a valid Master Promissory Note (MPN) on file with the Direct Lending Program. If you have already borrowed a Federal Direct Loan in the past 10 years at another institution, you are not required to complete a new MPN. If you have only borrowed student loans through the Family Federal Education Loan (FFEL) Program, you are required to complete a new MPN with the Direct Lending Program.

How do I defer my student loan payments while I am in school?

If you have a federal student loan that has entered repayment and you have re-entered school, you may receive an in-school deferment for that loan. On a monthly basis, the Office of the Registrar electronically submits enrollment data to lenders to use for in-school deferments. Students can ask the registrar to send information to their lenders by completing the in-school deferment form online at www.sunyempire.edu/Registrar. Students should address questions to 1Stop Student Services at 800-847-3000.

What happens if I received federal aid at another school?

Federal regulations stipulate the student's annual maximum awards. Therefore, if you have received federal aid at another college for the same financial aid year, your federal student aid eligibility (including student loans) at Empire State University may be reduced retroactively. You cannot receive financial aid for the same term at more than one school.

What if I've had a change to my household or personal finances?

If the income or household information you've listed on the FAFSA is no longer indicative of your current situation, you should complete the Special Condition/Professional Judgment Form. This will allow us to take into account your current situation. Please complete this form online at www.sunyempire.edu/SFSforms, under appeals, and submit appropriate documentation to the Office of Financial Aid.

I'm already registered for classes as a matriculated student but my financial aid hasn't been awarded yet, am I required to make a payment?

Your financial aid file is not considered complete until the Office of Financial Aid has received all of the required forms. Once complete, all of the documents submitted to our office must be reviewed before aid can be determined. If you have registered for your classes and financial aid is not available for the term on the payment due date, you

username and password that you must use to log in to certain Federal Student Aid websites. You can create your FSA ID at <https://fsaid.ed.gov/npas/index.htm>.

2. File the Free Application for Federal Student Aid (FAFSA) at www.sunyempire.edu/FinancialAid or www.FAFSA.ed.gov. The federal school code is 010286. Assistance in completing the form may be directed to Federal Student Aid Information Center at 800-4-FED-AID.
3. New York state residents should complete the TAP application. The TAP school code is 0913 for students working on a bachelor's degree and 0916 for students working on an associate degree.
4. New York state residents planning to attend part time should complete the Aid for Part-Time Studies (APTS) application.
5. Enroll as a matriculated student.
6. Maintain good academic standing. See www.sunyempire.edu/GoodAcademicStanding.

Answers to specific questions may be directed to the college's 1Stop Student Services in Saratoga Springs, N.Y. at 800-847-3000 or emailed to FinancialAid@sunyempire.edu.

When should I apply for aid?

The Office of Financial Aid encourages every student to complete the FAFSA three months before the expected start date. The online process becomes available each year on October 1, but a FSA ID can be created at any time. The paper FAFSA will be rejected if it is mailed before October 1.

We recommend applying for financial aid concurrent with your application to the school. Existing students should file a new FAFSA for the coming financial aid year (which starts with the May term) shortly after October 1 of the preceding year.

Please refer to our website to determine which year FAFSA is necessary for your academic term.

The **priority** deadline for receipt of the FAFSA results and all additional necessary paperwork by the Office of Financial Aid is six weeks prior to the start date of the term. FAFSA results and additional paperwork received after this date will continue to be reviewed and aid awarded accordingly. If FAFSA results and all necessary paperwork are not received before the term ends, aid eligibility may be denied for that term.

are required to make payment or payment arrangements. Please contact 1Stop Student Services at 800-847-3000 or contact the Office of Financial Aid at FinancialAid@sunyempire.edu.

Changing Schools

Financial aid cannot be "transferred" from one school to another. Each college or university assesses your need and eligibility based upon its own costs and its own aid programs.

Please make sure that your Free Application for Student Aid (FAFSA) data gets released to your new school. You may do this online using your FSA ID, by going to www.FAFSA.ed.gov and selecting "Make Corrections to a Processed FAFSA." Add the new school's federal school code. Empire State University's federal school code is 010286.

For New York state TAP, you should go to <https://hesc.ny.gov> and change your TAP information to reflect the new school's TAP code for the appropriate term. The Empire State University undergraduate TAP school code is 0913 for bachelor's degree and 0916 for associate degrees.

Dependency Issues

Single persons under the age of 24 with no dependents are urged to contact the Office of Financial Aid prior to completing a Free Application for Federal Student Aid if they feel they are independent due to unusual circumstances and can document their claim. (Voluntary residence in a separate household from parents does not constitute an unusual circumstance.)

Additional Information

All brochure information is applicable beginning with the Summer Terms 2023. Any additional documentation requested by the school must be submitted by the student in order for financial aid to be determined.

We encourage students to go to our website (www.sunyempire.edu/FinancialAid) for more detailed and up-to-date information regarding financial aid.
